SPECIAL FEATURES

HOUSE SEASON 4

1. *Alone*

House must learn to work without the help of his team, while Wilson tries to force House into job interviews.

2. *The Right Stuff*

House is forced to choose a new staff out of 40 candidates and tries to solve a case for a pilot from the Air Force.

3. *97 Seconds*

House breaks the candidates into 2 groups working to diagnose a patient with a shortening lifespan.

4. *Guardian Angels*

House and the staff struggle to deal with a patient who has visions of her dead mother.

5. *Mirror Mirror*

A person suffering with neurological symptoms mirrors the behavior of the doctors in the hospital.

6. *Whatever It Takes*

House is requested for help by the CIA, leaving Forman in charge of a patient who passed out during a drag car race.

7. *Ugly*

House and the team deal with a patient with a facial deformity that is followed by a reality T.V. crew.

8. *You Don't Want To Know*

The team works to solve the case of a magician whose heart stopped in the middle of his performance.

9. *Games*

House diagnoses a rock star with a history of drug use and names the winners of his "job interview".

10

It's a Wonderful Lie

House obsesses over the case of a mother and daughter that don't keep secrets from one another.

11. *Frozen*

House must work so solve the case of a patient in the South Pole... from New Jersey.

12. *Don't Ever Change*

After a woman collapses at her wedding, House is suspicious that she woman is a drug user.

13. *No More Mr. Nice Guy*

House deals with a patient that he believes is "too nice" and competes for the attention of Wilson.

14. *Living The Dream*

House feels star struck when the star of his favorite soap opera becomes his patient.

15. *House's Head*

House struggles with amnesia while trying to find a patient who was dying while on the same bus.

16. *Wilson's Heart*

The team must work to save the life of a close-friend while dealing with House's foggy memory.

EVERYBODY LIES.
