HANCOCK

John Hancock (Will Smith) is an alcoholic with superhuman powers, including supersonic flight, invulnerability, immortality, and super-strength. Though he uses his powers to stop criminals in his current residence of Los Angeles, his activities inadvertently cause millions of dollars in property damage due to his constant intoxication. As a result, he is routinely jeered at the crime scenes. Hancock also ignores court subpoenas from the city of Los Angeles to address the property damage he has caused.
