

## VIKAS SWARUP

Q &A, a romance and drama filled book written by Vikas Swarup, an Indian Diplomat, is the basis of the story line of *Slumdog Millionaire*. The story is about Ram Mohammad Thomas, who has been arrested for answering twelve questions correctly on *Who Will Win A Billion?* Because a poor orphan who has never read a newspaper or gone to school cannot know the name of the President of America, or the location of the Pyramids, or the plays of Shakespeare. Unless he has cheated.

Stunning a TV audience of millions, he draws on a store of street wisdom and trivia to provide him with the essential keys, not only to the quiz show, but to life itself.

Vikas Swarup did not set out to become an author, but after a series of very fortunate events, his first novel, Q&A, was adapted into a blockbuster and award-winning movie (*Slumdog Millionaire*). It has also been translated into 43 languages. Now, he has released his second book, *Six Suspects*, which he wanted to be "as different from Q&A as possible." Inspired by a true-to-life murder case, the book focuses on six individuals suspected of killing a minister's son, who has been acquitted from charges of murdering a bartender that refused to serve him a drink. The book is also being made into a movie. To learn more visit:
