

## To our IHOP family...

In 1958, The International House of Pancakes started serving breakfast in Toluca Lake, California. It didn't take long for word to spread that we were serving the best pancakes around and for our place to become a popular neighborhood gathering spot.

Nearly 50 years later, people just call us IHOP and we've become a part of American culture.

For generations we've been famous for our pancakes and we've been the place where families choose to start their day. Today, new generations of family and friends are turning to IHOP for lunch and dinner as well.

With more than 1,200 IHOP locations coast to coast, IHOP is America's choice for fresh sandwiches, crispy salads, traditional dinner classics, and of course, a great breakfast. More than a million folks a day are drawn to IHOP each and every day for a very simple reason – they come hungry and leave happy.

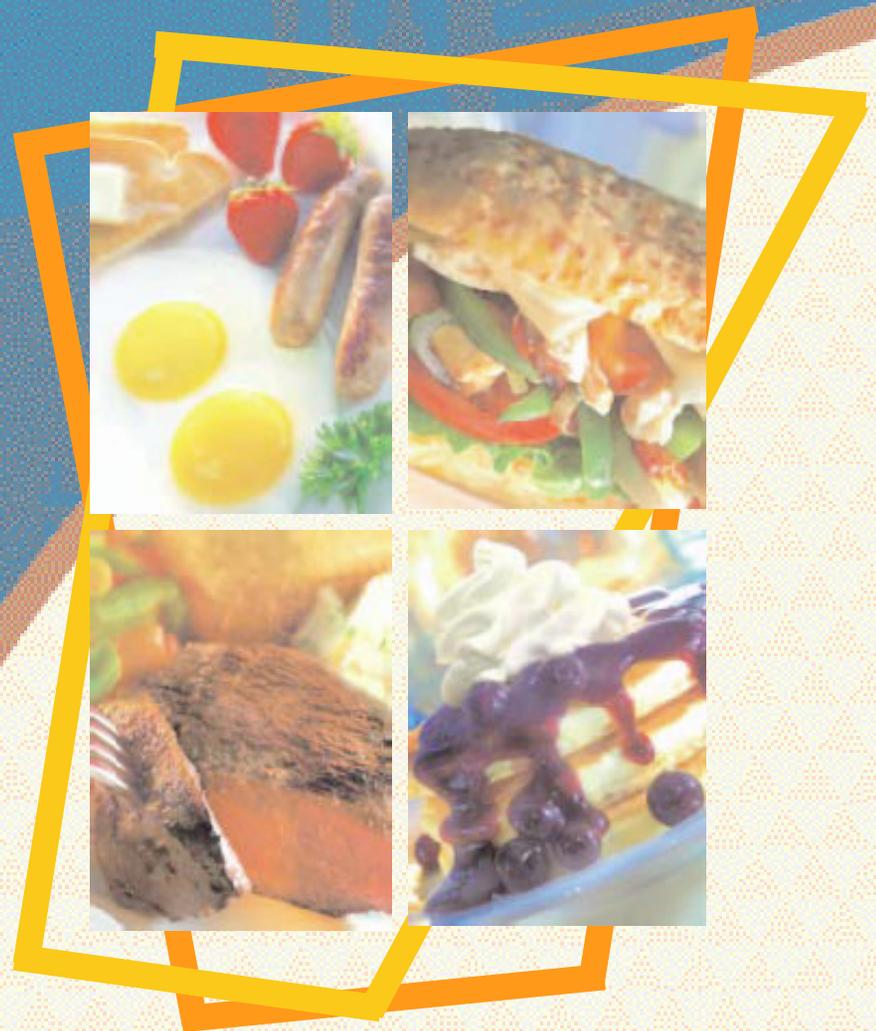

Today there's an IHOP in nearly every neighborhood across this country. Our commitment to the communities we serve is about more than providing a great meal. It's about valuing the people in our communities.

Thank you for dining with us and being part of the IHOP family.

Come hungry.

Leave happy.
