## A Little Bit About Us

Here at P.F. Chang's Bistro, Inc. we have high expectations for ourselves to bring the highest quality service and cuisine for our valued customers. We offer a large variety of sophisticated, traditional Chinese foods in our P.F. Chang's Bistro and our more casual Pei Wei Diners.

Ever since we started in July 2000, we have focused on service and quality. Because of those goals we have been able to expand to 34 states so that more and more people can feel the intensely cultural and fascinating eating experience we offer. No where else will you find an authentic Chinese Bistro or diner that employs the top chefs that care so passionately about their work as ours do.

Since so many people have tried and loved our food and service, we have decided to expand our Horizons and open up a chain called the Taneko Japanese Tavern in 2006. We hope to see you soon so that you may savor our exquisite Chinese experience.
