

# BIG 12 2009

## NORTH:

### Nebraska

Bo Pelini will help the Huskers recapture the Big 12 North in his second season.

### Kansas

QB Todd Reesing will keep the Jayhawks at a respectable second place finish.

### Missouri

The loss of QB Chase Daniel to the NFL will be a setback to the Tigers spread offense.

### Colorado

A few more seasons with Dan Hawkins and Colorado will return to their competitive roots.

### Kansas State

Things are getting colder in Manhattan, KS. A .500% record season at best for this team.

### Iowa State

They've always been overmatched in the Big 12. Expect another sad year for the Cyclones.

## SOUTH:

### Texas

The Longhorns have sights set on another BCS championship with Mack Brown.

### Oklahoma

The powerhouse program of Bob Stoops should be in competition for the National Title.

### Oklahoma State

Look for Oklahoma State's powerful offense to make them a darkhorse in the Big 12 South.

### Texas Tech

With the loss of Michael Crabtree, expect a fall back to reality for the Red Raiders.

### Baylor

Returning QB Robert Griffin will look to improve after his impressive Freshman debut.

### Texas A&M

The struggling Aggies program will be at the bottom of the Big 12 once again in 2009.
