FEARITSELF

Final Boss is a professional Halo 3 team who competes in Major League Gaming (MLG). They were sponsored by a Washington Wizards player Gilbert Arenas. Team members had competed at other MLG and non MLG events as StK and Team 3D. They were also formerly affiliated with DtO. They are considered the top Halo team in MLG history due to a string of victories in 2004, 2005, and 2006. They had an 8 event winning streak (biggest in MLG's history, second biggest being 3 by Carbon in the end of 2006). Their 8-event winning streak came to an end when arch-rival of Final Boss, Carbon defeated them at the event in Orlando during the 2006 season. Final Boss would never recover from that loss in 2006 season as they went to lose the next 2 events, one of which was the 2006 National Championships.

In the end of 2006 season/beginning of 2007 season, they dropped their long time teammate and friend, Saiyan for a rising star, StrongSide. With StrongSide, they won the first 2 events on the 2007 season (Charlotte and Meadowlands) but then lost the 3rd one (Dallas) to Carbon. Final Boss went to win the next event, Chicago, but then ended up losing to the....
