

# GAME INFORMER

## BLACK OPS VS. MW2:

Treyarch has released the 7<sup>th</sup> game in the Call of Duty series, but many gamers say it isn't what its cracked up to be, and that the previous game Modern Warfare 2 was better. Our expert analysts have put together a comprehensive comparison of the two's pros and cons for you. Pg 2

## BATTLEFIELD 3?

Last year, the world was taken by surprise by Battlefield: Bad Company 2. Word has gotten out that a sequel, Battlefield 3, will be even more realistic and stunning. Pg 12

## DUALSHOCK 4:

For many years, DualShock controllers have held the crown of making PlayStation controllers. Their newest controller -creatively named DualShock 4- works on ball bearings so it never wears out. Pg 22

## 2010s TOP GAMES

There were a lot of pretty epic games in 2010. We saw Black Ops, Battlefield 2, LittleBigPlanet 2, BioShock 2, Fable III, Halo Reach, and more. See where they are now and how they're doing in our 2010 Game Timeline. Pg 34
