

Sword Art Online

The floating Castle, Aincrad.

Kirito slaying a wolf.

Main Character

Nickname: Kirito
Real Name: Kirigaya Kazuto
Age: 14-16

«Kirito was born on October 7, 2008. After his parents died in an accident, his aunt and uncle raised him as a son. As a result of his aunts influence as an editor for a computer systems magazine, he became enveloped by computers.»

«Kirito is a very skilled programmer and he even built a computer during elementary school. At the age of ten, he found his erased records in the national registry.»

«Kirito was accepted into the closed beta of the VR (Virtual Reality) game known as Sword Art Online. Only 1000 people were accepted.»

Plot Summary

In the near future, a Virtual Reality Massive Multiplayer Online Role-Playing Game (VRMMORPG) called Sword Art Online has been released where players control their avatars with their bodies using a piece of technology called Nerve Gear. One day, players discover they cannot log out, as the game creator is holding them captive unless they reach the 100th floor of the game's tower and defeat the final boss. However, if they die in the game, they die in real life. Their struggle for survival starts now...

The NerveGear Virtual reality helmet

Virtual Reality

Virtual Reality games, like Sword Art Online, require special headgear. Like the NerveGear. The headgear intercepts the brainwaves of the user, not only stopping them from moving in real life, but moving them in the game.

Btooom!- Ryouta Sakamoto suddenly finds himself transported from playing Btoom!, A hit video game, to being stranded on a island, equipped with a day's worth of provisions, a bag of bombs, and a crystal embedded in his left hand. It doesn't take long to figure out what's going on, Someone is attempting to recreate Btoom! In real life, and the island has been filled with other players. There's only one way off the island: kill seven other people before they kill you.

Accel World-The year is 2046. Haruyuki Arita is a young boy who finds himself on the lowest social rungs of his school. Ashamed of his miserable life, Haruyuki can only cope by indulging in virtual games. But that all changes when Kuroyukihime, the most popular girl in school, introduces him to a program called Brain Burst and a virtual reality called the Accel World.

Log Horizon-By its eleventh expansion pack, the massively multiplayer Online role-playing game Elder Tale has become a global success, having a following of millions of players. However, during the release of its twelfth expansion pack, thirty thousand gamers who are all logged on at the time of the update, suddenly find themselves transported inside the game world and donning their in-game avatars.

Mirai Nikki (The Future Diary)-This psychological thriller is about Yuki, a loner who's not very good with people. He prefers to write a diary on his cell phone and talk to his imaginary friend, Deus Ex Machina. However, Yuki soon learns that Deus is not imaginary when he makes Yuki participate in a 12 man battle royale. The contestants are given diaries that can predict the future, each diary possessing unique features.

Hack//sign-A young wavemaster, only known by the alias of Tsukasa, wakes up in an MMORPG called The World, with slight amnesia. In The World, he is suspected to be a hacker of the Crimson Knights, as he was seen accompanying a tweaked character in the form of a cat. Unable to log out from the game, he wanders around looking for answers, avoiding the knights and other players he meets along the way.

The Future Gadget Lab.

Future Gadget #8 Phone Microwave

Plot Summary

Steins;Gate is about a group of friends who formed a lab group together. This lab group creates many different "Future Gadgets" each having its own purpose. One of the gadgets was created when they accidently customized their microwave into a device that can send text messages to the past. As they perform different experiments, an organization named SERN, who has been doing their own research on time travel, tracks them down and now the characters have to find a way to avoid being captured by them.

Main Character

Nickname: Hououin Kyouma

Real Name: Rintarou Okabe

Age: 18

«He and Itaru are both students of Tokyo Electronics University, and have been friends for three years.»

«Rintarou runs the "Future Gadget Laboratory", a small research institution situated above a store. It is an area where the lab creates "Future Gadgets for the betterment of mankind".»

«Rintarou has always been close friends with the second Lab Member and co-founder of the "Future Gadget Lab", his childhood friend Mayuri, he made a vow to protect her from harm when they were young.»

D-Mail

D-Mail, Short

for DeLorian Mail, Is email that gets sent into the past. It does this by having a cell phone linked to a microwave, then when a text is sent ,after a large energy explosion, a text is sent into the past in multiple parts.

He prefers to write a diary on his cell phone and talk to his imaginary friend, Deus Ex Machina. However, Yuki soon learns that Deus is not imaginary when he makes Yuki participate in a 12 man battle royale. The contestants are given diaries that can predict the future, each diary possessing unique features.

Toki wo Kakeru Shoujo—Time travel... It can be used for the good of humanity, or just abused. While many may dream about obtaining such a power, it has become a reality for normal schoolgirl Konno Makoto. After a fated event, her life becomes extraordinary. Though she uses her power to literally "leap" into the past and change little things in order to make her life easier, she soon learns that changing the past can have drastic consequences.

Higurashi no Naku Koro ni—After moving into the quiet town of Hinamizawa, Maebara Keiichi spends his days blissfully in school often playing games with his local friends. However, appearances can be deceiving. One fateful day, Keiichi stumbles upon news of a murder that had occurred in Hinamizawa. From this point on, horrific events unfold in front of Keiichi, as he soon learns his close friends may not be all that they seem.

Suzumiya Haruhi no Shoushitsu—It is December, and SOS Brigade chief Haruhi Suzumiya announces that the Brigade is going to hold a party in their clubroom. The brigade members Kyon, Yuki Nagato, Mikuru Asahina and Itsuki Koizumi start preparing everything for the party. But later, Kyon arrives at school to find that Haruhi is missing. Not only that, but Mikuru claims she has never known Kyon before.

NHK ni Youkoso!—Satou Tatsuhiro, 22 years old, thinks that everything that happens around him is a conspiracy. He even figured out who is behind it all: The NHK, an evil secret company. In reality, he is nothing more than a NEET (Not in Employment, Education or Training), in need of a cure from that "disease". He wants to fix himself up, but getting a job is frightening enough for him. That is until he gets selected for a "project".
